## Introducing A Powerful Suite of Communication Tools From GoSolo!

***GoSolo delivers more than a message, it's the tool your team needs to succeed.***

GoSolo is proud to offer a revolutionary communications tool for your small office or home-based business. Simplify your day by providing a personal toll-free number service with a virtual office to receive all your messages (email, fax, and voicemail), plus a professional 24-hour answering service, so you'll never miss an important call.

Choose from any of our plans, there's one perfect for your business and your budget.

**Go800** - Add a personal 8XX toll-free number service to your business. Program your service to find you while you're out and locate you on the fly. Be anywhere, anytime, and still in touch to the level you want to be.

**GoOffice** - Gives you a complete virtual office and downline broadcast tool all in one. You get voicemail, email, and fax (inbound/outbound) along with a virtual assistant to professionally answer and manage your calls. The GoSolo broadcast tool allows you to create distribution lists and send a single message to your entire team, or customer base.

**GoConferencing** - Expand your local footprint and meet with people for a fraction of the cost of traveling. Get all the premium features and functions of audio conferencing and Web conferencing without the premium price.

**Signup Today to take advantage of this powerful communications tool for your business!**

## GoSolo Benefits:

### Virtual Office

Get your voicemail, email, and faxes all in one place.

### Broadcast Messages

Define personal distribution lists, then just create messages and send them to everyone on your list.

### Personal Assistant

Never miss messages, your virtual attendant screens and handles all your calls.
